

AcerNote Light

With the Pentium® Processor Model 361

This AcerNote™ Light notebook featuring the Intel® Pentium processor compromises nothing for portability. It's powered by a 120MHz Intel Pentium processor, with 16MB of memory expandable to 40MB. It's the ultimate traveling companion with a 10.4" color display, built-in floppy disk drive, Sound Blaster® 16-compatible audio, and up to three-hour battery life.* All in a lightweight, ultraslim case.
