- Choice of large, vibrant dual-scan STN color or crisp monochrome display
- Local bus graphics for excellent video response
- 4MB RAM expandable to 20MB
- 200MB hard disk storage

**AST**  
COMPUTER®

## THE FULL-FEATURED NOTEBOOK, PRACTICALLY-PRICED.

■ With the Bravo NB-RC, AST has put the benefits of mobile computing within reach of almost anyone. ■ Its powerful i486SX 33MHz processor can run all of your software programs, and with an internal 3.5" floppy disk drive, data is convenient to download.

# BRAVO NB-RC

There's ample hard drive storage too. ■ Local bus graphics on a large, 9.5" display makes viewing Windows™ or other graphical interfaces easy on your eyes. And with a PCMCIA Type III/II expansion slot, you can add connectivity, storage or network capabilities, just by inserting simple credit-card sized devices available from AST or third-party manufacturers. ■ The Bravo NB-RC is so slim and lightweight, it's easy to carry and the battery can recharge with the notebook on or off, so you're productive anywhere. ■ A variety of software comes pre-loaded, including DOS®, Windows and on-line information services. And your Bravo NB-RC comes with the added reputation for quality and service only available from AST, the 5th largest manufacturer of personal computers in the world.

### Bravo NB-RC

#### MODELS:
