# Everywhere, Any time with your D410P/D410V!

## Break through the time & space limitations!

People travel from time to time!

You can't be at your partner's award presentation in New York because you

have a Sales meeting in Shanghai the day before! Clevo's **D410P** and **D410V**

combine the powerful Pentium 4  3.2GHz with HT Technology(FSB800) CPU

(for D410V), sharp 15" TFT LCD, Video Camera, ATi Mobility Radeo 9600 PRO

(for D410V), and polular communications like Bluetooth, Wireless LAN, and

Gigabit Ethernet (for D410V).

Your partner will be able to feel your cares at all times!
