

COMPAQ ARMADA 1700

Compaq Armada 1700 & 1750

Enjoy key technologies and outstanding value with this fully integrated notebook. It's easy to use and easy to carry.

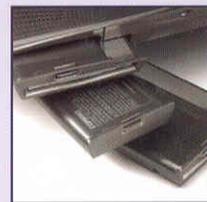

- **Fully packed** – It's simple to use as all you need is built in: an integrated AC adapter plus a floppy, hard disk and CD-ROM so there's no need to swap or carry around external drives and cables, even an optional integrated K56flex modem.
- **Affordable power** – high specifications at a value-for-money price. Up to a 400MHz Intel Mobile Pentium® II processor, 10GB Hard Disk Drive, 14.1in. colour XGA TFT display and top-of-the-range AGP 2X graphics for outstanding multimedia viewing.
- **Ready for today and tomorrow** – can also be upgraded. The *Compaq MultiBay* can house a floppy drive, second hard disk drive, *Compaq SuperDisk LS-120 Drive*, zip drive or extra battery. The 24x CD-ROM can be upgraded to DVD and models supplied with 64MB of SDRAM can step up to 192MB. They are certified for Year 2000 too (NSTL compliant).

All-in-one business notebook – ultimate convenience and exceptional value for money.

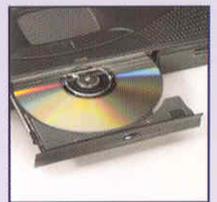

**Convenient.**

Travelling is easier with the built-in AC adapter and 56K V.90 modem<sup>1</sup>.

**Versatile.**

The MultiBay accepts your choice of drives or an extra battery.

**Powerful.**

Need the latest laser technology? Upgrade the CD-ROM drive to DVD.

**COMPAQ**
