Standard Features

Software	Microsoft® Windows® Millennium Edition
Security	Power-on password Reinforced security slot Accepts 3 rd -party security lock devices
Power Supply	External AC Adapter; 6-foot (1.8 meter) power cord included
Battery	4-cell high-capacity internal main Li-ion battery supplies over two and a half hours of battery life; over five hours achieved using secondary external battery. (Optional 12-cell battery) Note: Actual results may vary with product model, configuration, and individual usage. Compaq results of 2:31 (hr:min) were achieved running the eTesting Labs Inc.'s BatteryMark™ Test version 4.0.1 on an Compaq Evo Notebook N400c with an Intel Pentium III 700 MHz CPU, 12.1-inch XGA panel, 128 MB RAM, 20 GB HDD, 4-cell Li-ion battery, and combination NIC/modem. System parameters were set according to Ziff Davis recommendations: panel brightness 50%, hard drive standby and video idle time 3 minutes, Intel Speedstep battery optimized mode. Note: This test was performed without independent verification by eTesting Labs Inc. eTesting Labs Inc. makes no representations or warranties as to the result of the test. BatteryMark is a trademark of Ziff Davis Publishing Holdings Inc., and affiliate of eTesting Labs Inc., in the U.S. and other countries.
Power Conservation	Hibernation and sleep
Compatibility/Compliance	Plug-and-Play Ethernet Network Compatibility Windows® XP Ready PC
Warranty	1-year U.S. Limited Warranty 1 year parts, 1 year labor (end-user replaceable parts, mail-in or carry-in) For International Warranty Information, For CarePaq warranty upgrade please visit www.compaq.com/support/warranty_upgrades Note: Certain restrictions and exclusions apply.
