

Dell™ Latitude™ 131L

Smart, affordable technology for business

The Dell Latitude 131L is built for business, with a smart combination of technology, quality and service - all priced to fit your budget.

The Dell Latitude 131L is designed for your basic computing needs, with dual core processing, wide-aspect panels and Dell's award winning service & support.

Innovative Design: Designed with usability in mind

- UltraSharp™, wide-aspect LCD, packed with performance
- Freedom to work where you want, with 9-cell extended life battery option
- Dual Core processor option to help boost performance when multi-tasking
- Easy to customize with Dell QuickSet™ software
- Windows Vista Capable¹: support for Microsoft's next-generation operating system (when available)

RoadReady™ Quality: Designed, Tested & Built for Quality

- Uncompromised quality for years of reliable performance
- StrikeZone™, 24/7 protection designed to withstand life's bumps and bruises
- Complete your experience with optional Dell CompleteCare Accidental Damage Service⁸

Smart Security: A comprehensive But Flexible Security Suite

- Computrace Ready: tracking and loss control service to help locate and recover stolen mobile assets
- Cable Lock slot to help keep your assets secure

HyperConnected: Wireless connectivity

- Stay productive with integrated mini-card Wi-Fi access⁹
- Dell Quickset automatically manages your VPN and mobility settings

Dell Latitude 131L

FEATURES Dell Latitude 131L

SYSTEM

Processor Type	Mobile AMD Sempron™ processors with power optimized 1600 MHz HyperTransport™ interface & 512KB L2 Cache AMD Turion™ 64 Mobile Technology processors with power optimized 1600 MHz HyperTransport™ interface & 512KB L2 Cache AMD Turion™ 64 X2 Dual-Core Mobile Technology processors with power optimized 1600 MHz HyperTransport™ interface & 512KB or 1MB L2 Cache
Processor Features	Mobile AMD Sempron™ processor 3500+ AMD Turion™ 64 Mobile Technology MK-36 AMD Turion™ 64 X2 Dual-Core Mobile Technology TL-50, TL-52, TL-56
Operating systems	Microsoft® Windows® XP Professional SP2, Microsoft Windows XP Home SP2, Windows Vista Capable ¹
Chipset	ATI Radeon Xpress 1150
Memory	256MB DDR2 shared memory ² , upgradeable to 2GB; 533MHz
Displays	Wide aspect 14.1" WXGA (1280 x 800 resolution) ¹² , 15.4" WXGA (1280 x 800 resolution)
External Display	Supports up to a maximum resolution of WUXGA (1920 x 1200)
Graphics	ATI Radeon® Xpress 1150 256MB HyperMemory™ (integrated) ²
Hard drives	Up to 80GB ³
Keyboard	87-Key US, Canada, China; 88-Key Europe; 89-Key Brazil; 91-Key Japan Key travel 2.5mm; Key spacing 19.0mm; Sealed keyboard design
Pointing Device	Touch pad - PS/2 compatible
Audio	High Definition Azalia codec speakers, 1.0W (8 ohms), integrated microphone
Dimensions	H 35.6mm/1.42" x W 356mm/14.0" x D 266mm/10.45"
Weight	Starting at 5.73lbs/2.6kg ¹¹ with 14.1" display, DVD-ROM and 4-cell battery Starting at 6.17/2.8kg ¹¹ with 15.4" display, DVD-ROM drive and 6-cell battery

POWER

Power Supply	65 Watt AC adapter with cord wrapping
Batteries	Primary 4-cell/29Whr "Smart" Lithium Ion battery with external battery gauge ¹² Primary 6-cell/53Whr "Smart" Lithium Ion battery with external battery gauge Primary 9-cell/85Whr "Smart" Lithium Ion battery with external battery gauge

CONNECTIVITY

Wired	56K ⁴ v.92 Internal Modem; 10/100 Ethernet LAN
WLAN:	Dell Wireless 1490 (802.11a/g), Dell Wireless 1390 (802.11g)

EXPANDABILITY

ExpressCard	54mm ExpressCard
I/O Ports	4 USB, VGA, headphone/speaker out, RJ-11, RJ-45, AC power, 3 in 1 card reader (SD, SDIO, MMC)
Docking	via S&P Only (USB)
Modular Options	Fixed: 24X CD-ROM, 8X DVD-ROM ⁵ , 24X CDRW/DVD, 8X DVD+/-RW ⁶ Floppy Disk Drive

SECURITY

Physical Security	Steel-reinforced Cable Lock Slot, Media Module and Hard Drive locks
User & System Security	Primary system and administrator passwords; CompuTrace® BIOS tracking agent
Network Security	802.11 WiFi Protected Access (WPA), 802.11i (WPA2), Virtual Private Networks (VPN) 802.1x with EAP modes and compatible CCX 4.0

MANAGEABILITY

Dell OpenManage™	Helps reduce the total cost of ownership by enabling IT departments to manage and support networked systems. OpenManage enables software deployment and migration, hardware configuration and system health, asset management and remote support. For more information visit: www.dell.com/openmanage .

ACCESSORIES

Accessories	New Latitude nylon carrying case and backpack, external USB keyboard and mouse, CRT and flat panel monitors
--------------------	---

SERVICE & SUPPORT

Service & Support	1 Year Next Business Day On-site Service ⁷
------------------------------	---

1. Based on currently available information from Microsoft. Requirements subject to change. Since the operating system and drivers are not final at this time, Windows Vista™ has not been tested on all user configurations. Dell systems must be configured with a minimum of 512MB system memory (RAM) for "Windows Vista Capable" designation. Systems which meet only minimum requirements for the "Windows Vista Capable" designation will not provide the full benefits of "Premium Ready", no matter the configuration. Please visit www.windowsvista.com/getready for more information.

2. ATI Radeon Xpress 1150 256MB HyperMemory is an integrated graphics solution that uses up to 256MB of system memory, depending on system memory size and other factors. System memory available to the OS will be reduced by the amount of dedicated and shared system memory utilized by this graphics solution.

3. For hard drives, GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.

4. Modem download speeds are limited to 53Kbps. Upload speeds are less (about 30Kbps). Speeds can vary by line condition and modem manufacturer. Analog phone line and service required.

5. DVD-ROM drives may have write-capable hardware that has been disabled via firmware modifications.

6. Discs burned with this drive may not be compatible with some existing drives and players; using DVD+R media provides maximum compatibility.

7. Service may be provided by third-party. Technician will be dispatched if necessary following phone-based troubleshooting. Subject to parts availability, geographical restrictions and terms of service contract. Service timing dependent upon time of day call placed to Dell. U.S. only.

8. CompleteCare service excludes theft, loss, and damage due to fire, flood or other acts of nature, or intentional damage. CompleteCare not available in all states. Customer may be required to return unit to Dell. For complete details, visit www.dell.com/servicecontracts.

9. Where wireless access is available. Additional access charges apply in some locations.

10. Up to 128MB of system memory may be allocated to support integrated graphics, depending on system memory size and other factors.

11. Preliminary starting weight of 5.73 lbs with 14.1" display, DVD-ROM and 4-cell battery. Preliminary starting weight of 6.17 lbs with 15.4 inch screen, 6-cell battery and CD-ROM. Weights vary depending on configurations and manufacturing variability.

12. Available January 2007.
