

# Dell Latitude 110L

Affordable Basic Mobile

The Latitude™ 110L is designed for small to mid-sized organizations that need basic mobile productivity and an entry-level price. The 110L is a sensible answer for customers who require a reliable, managed notebook, and are willing to trade some of the Latitude stability attributes, such as long lifecycles, managed transitions and peripheral commonality for an aggressive acquisition cost.

## Proven Technology

The 110L features Intel mobile architecture that provides the relevant technology you need, at a price you can afford.

- Choice of Intel® Celeron® M or Intel Pentium® M processors
- Intel 910GML Chipset with 400MHz Front Side Bus
- Integrated Intel Extreme graphics
- 333MHz DDR (shared) memory up to 1.28GB

## Flexible Configurations - Buy What You Need

- Choice of 14.1" or 15" XGA Displays
- Choice of Intel® Celeron® M or Intel® Pentium® M processors
- Available with Dell Wireless or Intel Pro Wireless a/b/g offerings
- Option to choose budget NiMH battery or upgrade to Li-Ion battery for longer battery run time

## The Right Features at the Right Price

The Latitude 110L delivers the right blend of productivity, usability and manageability that small to medium-sized organizations demand.

- Strike Zone™ shock absorber helps protect the hard drive - and your data - from the rough reality of mobility, whether the system is on or off
- Three USB ports provide peripheral flexibility and ease of use.
- Dell QuickSet software makes it easy to customize your power settings for travel or presentations with a single mouse click.
- Supports cable locks, asset tags and Computrace tracking software - solid solutions that help keep your data safe and your notebooks from walking out the door.

## International Service and Support

The Dell™ Latitude 110L is designed to exceed your expectations and is backed by Dell's exceptional service and support. The 110L comes standard with 1 year Next Business Day On-site<sup>2</sup> service and International programs across 40 countries.
