Dell Latitude D410

Expandable   Flexible   Mobile

The D410 is designed for customers who require mobility with a sub-4 pound* notebook, without compromising performance, features or D-family compatibility. The D410 meets the customer needs for a thin, light & powerful notebook, adding incremental value with a new sleek industrial design and improved battery life with a 6-cell/53 w/hr or optional (extended life) 9-cell/80 w/hr battery.

All the Performance You Need. Nothing You Don't. All at Your Fingertips.

The new Intel® 915 chipset enables powerful, next-generation technologies:
- PCI-Express: Next Generation Serial I/O and Graphics Bus
- DDR2: Next Generation 400/533MHz single channel shared memory[6]
- Fast FSB (Front Side Bus): 533MHz

Designed to Withstand the Toughest Conditions

- Tough Tri-Metal™ design includes magnesium alloy frame and LCD cover
- Sealed and stiffened keyboard to protect internal components and circuitry
- Strike Zone™ shock absorber helps protects the hard drive – and your data, whether the system is on or off
- Dell's torture testing ensures that our notebooks have already been subjected to conditions worse than they will likely encounter in everyday use

Connect - Anytime, Anywhere

- Integrated Communications in every system
- Wireless LAN, WAN, Gigabit[3] Ethernet, and Modem available

Expandability with the Media Base

Flexibility to expand to a two-spindle system without increasing the system footprint

The Security You Expect for the Things You Don't

- Physical security via steel reinforced security slot
- Strict industry-compliant wireless solutions
- Integrated Smart Card providing low cost, standards-based user authentication security
- Trusted Platform Module (TPM 1.1) for storing and generating "on board" encryption keys

Work When, Where and How You Want To

- Dell ExpressCharge™ recharges your batteries in about an hour
- Undock & Go™ provides a seamless transition to wireless networking
- 6-cell 53 w/hr or optional extended life 9-cell 80 w/hr battery

Designed for mobile professionals, Dell's Latitude™ D-Family notebooks deliver the perfect blend of quality, usability and long term value, backed by Dell's award-winning service and support. The Latitude line is designed to last and to make deployment and management simple by avoiding unnecessary image and platform changes.
