Tough on the road, easy on the budget.

The ActionNote 660 is tough enough, and powerful enough, to handle any challenge. Built to take the rigors of life on the road, or on a college campus it's rugged enough to go wherever you go. Durable and dependable, the AN660 is made to be mobile. Just pop in a PCMCIA fax/modem card and you can use it from anywhere: on land, sea, or air.

They're equipped with high speed 486 DX2-66 processors, large, clear color screens and hundreds of dollars worth of pre-installed software. So, you get what you're looking for at an incredible value.

How can a notebook that packs so much, from preloaded software to pure power, be so budget friendly? That's why EPSON calls this the Value Series. We make it easy to pick one up, today.

Big, bright screens

Clear, vibrant screens with up to 256 colors for your viewing pleasure.

- *ActionNote 660C*: Large 10.3" dual scan passive matrix color LCD
- *ActionNote 660CX*: 9.5" Active matrix color LCD

Equipped with speed and ample storage

- 32-bit local bus video
- 486 DX2-66 processor
- 340MB hard disk drive
