the Vista 201

ERGO

Ergo recommends Windows® XP Professional

Multimedia star...

The Vista 201 is designed for those who wish to make the most of their laptop's graphic powers. A high definition 15.4" wide-screen display, fast graphics and high-level specification make the Vista ideal for handling multiple windows, manipulating digital still or video images and spreadsheets.

Gaming enthusiasts will love the Vista 201, as will DVD movie fans.
