Brick Model 478 Pentium IV Portable

Structure   Intel 845 Chipset
                           L2 256KB cache

Microprocessor   Intel Pentium 4 Processors with OLGA Package, mPGA 478 Socket
                           Support up to P4 2.0GHz
                           400MHz System Bus

Memory (RAM)   Expandable to 512MB (PC-133)
                           2 x 144-pin SDRAM SO-DIMM sockets

Video   ATI Mobility M6-M (integrated 8MB DDR VRAM)
                           Support AGP 4X
                           Support Multi Monitor

Display   1024 x 768 XGA TFT 14.1"

PCMCIA Slots   1 x Type II CardBus Slot

Storage   2.5" (9.5mm) HDD with Ultra DMA100 supported
                           Support 10GB/20GB/30GB/40GB capacities
                           12.7mm DVD-ROM
                           Support External USB FDD

Input Devices   19mm pitch/3.0mm stroke
                           1 x Windows Logo Key, 1 x Application Key, 1 x Mail Received Button, 5 x Easy Start Buttons
                           Glide pad with 2 x buttons and 1 x scroll button

Sound System   Sound Blaster Pro compatible
                           Support AC97 2.1
                           Built-in mono microphone
                           2 x Speakers

I/O Ports   1 x Bi-Directional, ECP/EPP Parallel Port
                           2 x USB Port
                           1 x RJ-11 Port
                           1 x RJ-45 Port
                           1 x DC input
                           1 x VGA Port
                           1 x Audio-out (SPIDF)
                           1 x Mic-in
                           1 x IEEE 1394 port
                           1 x S-Video Out Port (NTSC/PAL)

Communication   Built-in 56Kbps V.90 MDC modem
                           Built-in 10/100 based-T LAN

Battery   9 cells, Li-ion (1800mAH/2000mAH/3.7V)
                           User swappable
                           2 hours battery run time

Power Management   Universal AC Adapter, 100-240V AC, 50-60Hz

Dimension   12.32" x 10.35" x 1.50"
                           7.13lb. includes battery
