Product Specs

EUROCOM D470W Impressa

General Information

Colour	silver+blue
Supported Operating System	Win XP Home and Professional, Win 2000
Special Feature(s)	Wide screen, sub-woofer surround sound, wireless LAN, Bluetooth, CCD video Camera

System Architecture

Spindle Design	three spindle
System Architecture	PC99
System Bus / FSB	FSB533

Processor

Processor Make / Class	Intel Pentium 4
Socket Type / Spec	uFC-PGA478
Processor Speed(s)	3.06 Hyper-Threading technology / 2.8 / 2.6 / 2.4 / 2.2 / 2 GHz
Cache (L1/L2)	512KB

Video and Graphics

Video Memory / Type	64MB DDR SGRAM ATI Mobility Radeon 9000
Video Architecture/Chipset	SiS 645DX + SiS 962
Internal Video Camera (CCD)	built-in

Display

LCD size / type / resolution	17-inch WXGA TFT 16:9/1440x900
------------------------------	--------------------------------

Memory

RAM Type / Spec/Pinout	DDR200 / DDR266 / DDR333
RAM Configuration(s) / # of sockets	1GB; 512MB, 256MB / two 200pin SODIMM

Storage

Hard Drive: Max capacity / height / interface	60GB; ATA100; 2.5-inch 9.5/12.7 mm
Internal Floppy Drive	3.5-inch 3-mode
Optical Drive Bay height/options	12.7mm CD-ROM, DVD, CD-RW, COMBO, DVD Burner
DVD-ROM Module	8x
CD-Burner (WxRWxR)	16x10x24x
Combo DVD-ROM/CD-RW DVDxWxRWxR	8/24/10/24
DVD-Burner	1x DVD-R/RW

Audio

Audio Architecture	AC 97 2.1 compliant
Audio Chipset/Spec	subwoofer surround sound
Internal Speaker(s)	4 speakers
Line-Out	1
Line-In	2
Headphone Jack	1
Built-in Microphone/Spec	1

Communications

on-board LAN / Chipset	10/100 Ethernet; Realtek 8139CL
Internal Modem Type/ Spec	56K V90/92 MDC
Internal Wireless LAN spec	miniPCI 802.11a/b
Internal Bluetooth	via MDC module

PC Card Slot(s)

PC Card Architecture/Chipset	1x PCMCIA ; 3.3V/5V sockets, 1x type II
------------------------------	---

Interfaces (Ports)

on-board FireWire (IEEE1394)	1
Flash Memory Slot / Type	optional 6-in-1 flash card reader module
Internal Modem Interface	1- RJ11
LAN on-board interface	1- RJ45
Video-In interface	1x S-Video in with TV Tuner only
USB # of ports / Version	4xUSB 2.0
TV-Out (chipset/spec)	1 S-Video Out
CRT Port for External Monitor	1
Parallel Port / Spec	1
Serial Port	1
IrDA (location/spec)	IrDA 1.1 FIR/SIR/ASKIR
PS/2 Port	1
Port for Security Cable and Lock	1
Built-in Antenna for Wireless LAN	802.11g

Input Devices

Internal Keyboard # of keys / hot keys	102 keys with a separate numeric keypad / 3 instant keys
Internal Pointing Device	touchpad

Battery

1st Battery: # of cells; capacity; life	8; 4,400mAh; up to 2 hrs
---	--------------------------

Dimensions

Product Dimensions WxDxH (mm)	275 x 393 x 36.5 mm
Product Weight (kg)	3.4 kg without battery

Extra Accessories

Internal MP3 Player	N/A
Internal TV Tuner	optional
