Exceptional combinations of performance and price

IBM

ThinkPad 365 Notebooks

Highlights

- ***Traditional ThinkPad power, performance, quality and design...at superb prices***
- ***Fast 586-class processor and very fast 100MHz* and 120MHz Pentium processor models***
- ***Eye-catching 10.4" TFT, 10.4" DSTN and 11.3" DSTN displays***
- ***Upgradeable memory, from 8MB[1] base to 40MB[2] EDO, with storage options to match: 540MB, 810MB and 1.08GB hard drives***
- ***4X CD-ROM models with Sound Blaster Pro support for multimedia presentations that "Wow!"***
- ***Optional Port Replicator for one-step peripherals connection includes integrated battery charger and built-in palm rest***
- ***IrDA-compliant, 115Kbps infrared models for convenient wireless printing and file transfer***
- ***Plus a special bonus for ThinkPad buyers–Lotus SmartSuite at no additional cost!***

ThinkPad 365: high performance business solutions aggressively priced

Whether your office is at home or in a skyscraper, IBM ThinkPad 365 notebooks are ready and waiting to meet your business needs. You want price? We have it. You want performance? We have it. (After all, we're talking ThinkPad notebooks here.) You want the elusive combination of price and performance? We have that, too. In fact, it's why we created ThinkPad 365 in the first place.

Just look at what you get. Choose a 586-class processor that pushes the speed limit for performance. Or Pentium 100MHz and 120MHz processors that break it. PCI Bus on selected models for a high-speed interface to subsystems and accelerated video for quick screen refresh. 8MB base memory with options that reach up to 40MB EDO. Hard drives from a generous 540MB to 1.08GB. Three different displays, each providing a crisp, clear view of your work. Multimedia built around 4X CD-ROM and 16-bit audio. And integrated infrared that signals the end of cable clutter. ThinkPad 365. Because you're in business to succeed.

Performance/storage
- Choice of 5x86C 100MHz, Pentium 100MHz or 120MHz processors
- 8MB non-parity base RAM with options up to 40MB EDO[3] RAM
- VESA local bus or PCI Bus
- Storage options include 810MB and 1.08GB hard disk drives

Integrated infrared
- Fast, easy wireless printing, file transfer and synchronization between ThinkPad 365 and other IrDA-compliant systems
- 115Kbps maximum data transfer rate

PC Card[5] support
- Slots for two Type I/II PC Cards or one Type III
- IBM PC Card Director utility[3]

Standard I/O interfaces
- Ports: external SVGA/VGA monitor, serial (UART 16550A), Enhanced Parallel Port, 9-pin mouse/keyboard and port replicator connector
- External FDD port (selected models)

Pointing device/keyboard
- Full-size 85-key keyboard features Advanced TrackPoint III with QuickStop fingertip control

Multimedia features (CD-ROM models)
- 4X CD-ROM on selected models
- 16-bit audio, Sound Blaster Pro support and MIDI compatibility, internal microphone and speaker, external microphone and stereo speaker jacks, MIDI/joystick port[6]

Power supply/management
- Rechargeable NiMH battery pack
- Battery life: 2.3 hours on CD models; 2.5 hours on non-CD models[7]
- Fuel gauge for monitoring battery life
- Advanced Power Management support
- Standby, suspend and hibernation modes

Security
- Supports cable lock; features electronic personalization, power-on and system passwords

Operating systems supported
- Microsoft Windows 95; Windows for Workgroups 3.11; Windows 3.11; Windows NT Workstation 3.51[8]
- OS/2 Warp, Version 3; OS/2 Warp Connect
- IBM PC DOS 7.0; MS DOS 6.22

Lotus SmartSuite included at no cost
- Features integrated WordPro word processor, 1-2-3 spreadsheet, Freelance Graphics, Approach database, Organizer scheduler
- CD-ROM or license free with product; diskette copies, hardcopy pubs charged separately

Optional ThinkPad 365 Port Replicator
- Cable management for easy access to desktop peripherals, plus palm rest for comfort
- Includes charger for second battery

Options and accessories
- 4MB, 8MB[2] or 16MB DIMM memory upgrades; 32MB DIMM on Pentium processor models
- PC Card modems, wireless modems, network adapters, SCSI, storage

HelpWare service and support
- 1-year warranty[9]; International Warranty Service and EasyServ[9] door-to-door courier repair; optional overnight repair
- Toll-free hardware support at no additional charge during warranty
- 60 days preinstalled operating system software support

Need more info? Here's how to get it...

For ThinkPad information any time, day or night, dial 1-800-IBM-4FAX to request the ThinkPad Information Directory, document #3934.

For dealer and order information, call 1-800-426-2968.

*Indicates processor's internal clock speed. Application speed will be less.
[1]MB means million bytes and GB means billion bytes when referring to hard-drive capacity. Accessible capacity varies.
[2]On selected models
[3]When available 2Q96.
[4]When available on 5x86C models.
[5]ThinkPad 365 notebook products conform to the PCMCIA PC Card Standard Release 2.1 and PCMCIA Card and Socket Services Specification Release 2.1 dated July, 1993.
[6]Model W9G only. Enabled through optional Port Replicator on Pentium models.
[7]Battery life (and recharge times) will vary based on screen brightness, applications, features, power management, battery conditioning, and other customer preferences. CD-ROM or HDD usage may also have a significant impact on battery life.
[8]On Pentium processor models with limitations.
[9]For terms and conditions or a copy of IBM's limited warranty, call 1-800-772-2227. Extended maintenance option available. EasyServ available in North America at no additional charge during warranty period.
