

HERMES 330

SMALL, LIGHT AND POWERFUL

Especially designed businessmen/women and travelers who likes to travel light yet needs to carry powerful computing Notebooks.

Embedded VIA Antaur 1Ghz CPU offers the best price ever available for Notebook computers with optimal performance for all office tasks, DVD,MP3 and all multimedia playback

Movita

Processor	Embedded VIA Ezra 933MHz / Antaur 1GHz CPU and above FSB 100/133MHz
Core Logic	VIA PN266T + VIA-VT8235 chipset
Memory	One DDR slot Support for DDR266/333 Support 64MB/128MB/256MB/512MB up to 512MB Total system memory
Video Graphic	AGP V2.0 Compliant and AGP 4X Support Programmable frame buffer from 8MB and up to 32MB Single cycle 128-bit 3D architecture Next generation, 128-bit 2D graphics engine S3 DX7 texture compression High quality DVD video playback
Display	10.4" SVGA TFT LCD 800X600
Audio	Dual full-duplex Microsoft Direct Sound compatible SoundBlaster Pro/real-mode DOS legacy compatible Built-in two high quality stereo speakers.
Optical Storage	External USB 2.0 CD-ROM / DVD / Combo (Optional)
Hard Driver	Width: 2.5" Height: 9.5mm ATA-33/66/100 Ultra DMA, LBA/PPIO mode 4
Communication	full duplex 10/100 Base-T Ethernet, built-in on-board 56K / V.90 mode
I/O Interface	(One) 15 Pins VGA Connector Internal MIC (Two) Audio Jacks: SPK-out, Ext. MIC-in (Three) USB 2.0 Connector (One) RJ-11Fax/Modem Jack (One) RJ-45 LAN Jack (One) PCMCIA Slot (Type II)
LED Indicators	Num lock, HDD, Cap lock, Scroll lock, Power, Charge
Security	BIOS password protection and Kensington Lock hole
Battery	Li-ion Smart battery 4000mAh (6CELLs)
AC Adapter	Input Voltage: 90v to 240v AC Output: 18v DC / 45W
Dimensions / Weight	Height: 26(32)mm / Width: 260mm Depth: 206.5mm / Weight: 1.6kg
System Compliance	Microsoft Windows XP
Power Management	PC2001, ACPI compliant
