NP1280

Sager will outfit your mobile computing in style with the sleek NP1280. Beneath the polished high gloss blue cover lays a gorgeous 12.1" widescreen WXGA display complete with a digital video camera. Powered by Intel® Centrino™ mobile technology, the NP1280 brings all the mobile performance and wireless connectivity you demand. Best of all, the standard 8 cell battery gives you that extra juice you need on the go.
