

NP 8880

A powerful machine with all the refinements you have come to expect. The 8880's unique features include a TV tuner and multi-function remote control that does everything from turning on the notebook to controlling the Audio DJ CD player to changing the channels. The 8880 also features a detachable SD Memory Portable Storage unit with a MP3 player module to transfer data with USB to other systems, or take the module for music on the go.
