Warning: This Notebook has a Fatal Attraction!

Take it from Toshiba. Imagine some totally unknown source of power, pulsing from a giant screen! So bright and clear you're helpless to resist it. Weird huh? Well, there's more. Because this screen is on a Toshiba Satellite 110, packed with all sorts of other fatally attractive features. Time to steady yourself for the final shock – the attractive price. Hypnotised? We wouldn't blame you if you were. So we built in a way to break the spell. Try choosing between the Satellite 110CS and Satellite 110CT.

In Touch with Tomorrow
TOSHIBA

Fatally attractive 11.3" DSTN (110CS) or TFT (110CT) colour screen with a resolution of 800 x 600.

The built-in adaptor guarantees instant access to power anywhere in the world. And saves a lot of hassle and weight too.

Total connectivity: 2 PC Card slots (PCMCIA) are available in-machine and a further 2 slots via the optional Card Station.

The 100 MHz Intel Pentium® processor offers massive power for presentations and complex programs.

The Satellite 110CS and 110CT – irresistible inside and out.
There's never been anything quite like this in entry-level computing. A notebook that offers so much, at such an enticing price. It's simply irresistible. Go on, tell us you're not drawn to the 11.3" DSTN (110CS) or TFT (110CT) colour screen with a resolution of 800 x 600.

And now, what about the power-packed promise of a 100 MHz processor for all those lavish presentations and complex programs. And then there's the 810 million byte hard disk drive. Isn't that the sort of storage you've always dreamt about? At last enough space for all your vital data and software programs – and they're mobile too!

But maybe what's more seductive about the Satellite 110CS and 110CT is the price. So little secures so much: all the qualities and security of a Toshiba Notebook, backed up by the guarantee of Toshiba's International Warranty to solve any minor problems – though of course you'll probably never need to call us out.

But that's far from all. There's also the built-in AC adaptor, which means you don't have to worry about carrying around any unnecessary extras – it's all there. And it's lighter to carry too. The 8 MB of memory expandable up to 40 MB – is a real joy. And the Satellite 110 Series has the same video-controller that's fitted in Toshiba's high-end notebooks. The 2 PC Card slots (PCMCIA) take 2 Type II or 1 Type III PC Cards. And of course the pre-installed software, including Windows '95®, is also part of this remarkable offer. Irresistible!

Product Specifications
Satellite 110CS and 110CT

Processor
Intel Pentium® processor 100 MHz, 2.9-volt core technology, 16 KB cache on chip, integrated numeric co-processor

Memory
Standard 8 MB EDO RAM, expandable to 40 MB

Hard Disk
810 million bytes capacity (770 MB)

Diskette drive
3.5", 144 MB / 720 KB

Display
110CS: 28.7 cm, (11.3") DSTN-LCD up to 256 colours
110CT: 28.7 cm, (11.3") TFT-LCD up to 65,536 colours

Graphics adapter
SVGA/VGA compatible, local bus, dual-display mode, BitBIT graphics accelerator

Internal video modes
110CS: 800 x 600 x 256 colours
110CT: 800 x 600 x 65,536 colours

External video modes
640 x 480 x 16.7 million colours,
800 x 600 x 65,536 colours,
1024 x 768 x 256 colours,
max. refresh rate 85 Hz

Keyboard
84 keys, integrated MousePoint, 12 function keys, 8 dedicated cursor keys, inlaid numeric keypad, 8 Hot Keys

Interfaces
Serial port, parallel port (ECP), ext. SVGA monitor, PS/2 mouse or keyboard, Card Station connector

Expansion
2 x PC Cards (PCMCIA 2.0) Type II or 1 x PC Card Type III, memory expansion slot (SIMMs), Card Station provides 2 x PC Card Type III slots

Power supply
Integrated AC adaptor for world-wide usage, auto-sensing 100–240 V

Battery
Rechargeable NiH2 battery pack, up to 4 hrs. battery Life, recharge 2–3 hrs. (off) / 3–11 hrs. (on)

Size
299 x 230 x 55 mm (11.7" x 9.0" x 2.1")

Weight
3.2 kg (71b)

Bundled software
Windows '95® or other Microsoft operating system (on demand), PC Card Socket and Card Services Software, MousePoint driver, all pre-installed on the hard disk

Special feature
Toshiba AutoResume with Auto Save, MaxTime™ with Advanced Power Management, HotLock system password, Plug- and Play BIOS, 1-year International Warranty

Options
Carry in case, Card Station, extra battery packs, battery charger, car adapter, 8, 16 and 32 MB memory modules, PC Card Ethernet adapter, PC Card modem
