

The new Satellite 2060CDS.

A more personal computer.

At last. All the advantages of a highly compact and portable personal computer at a price you can afford: the **Satellite 2060CDS** from Toshiba. And with all the features you'll need for true mobile computing: powerful **366 MHz** processor, **12.1" DSTN** colour display, **integrated diskette and 24X CD-ROM drives** as standard, **V.90 (56 Kbps) internal data and fax modem**, outstanding sound with the Toshiba Bass Enhanced **Sound System**, and Easy Keys for fast access to the **Internet** and CD Player. All with the same **quality** and reliability we put into every one of our PCs. And a **price** tag that puts mobile computing within everybody's reach. Take it from Toshiba. It's time to get personal.
