TOSHIBA

AND THERE'S A LOT OF TECHNOLOGY INSIDE.

Give your ears a treat: The Toshiba Bass Enhanced Sound System provides great sound – for music or games.

Ready for take off: with the standard integrated diskette and 24-speed CD-ROM drive you are ready for anything.

It's all a question of the right connections: an Intel 56 kbps data and fax modem (V.90) makes possible international communication by fax and via the Internet.

It's all so easy: the special Easy Keys ensure fast Internet access and stress-free CD player operation at the press of a button.

Give your eyes a treat: Thanks to the brilliant 12.1" DSTN colour monitor you always have a clear view of everything.

FOR THOSE WHO WANT MORE PERSONAL FREEDOM.

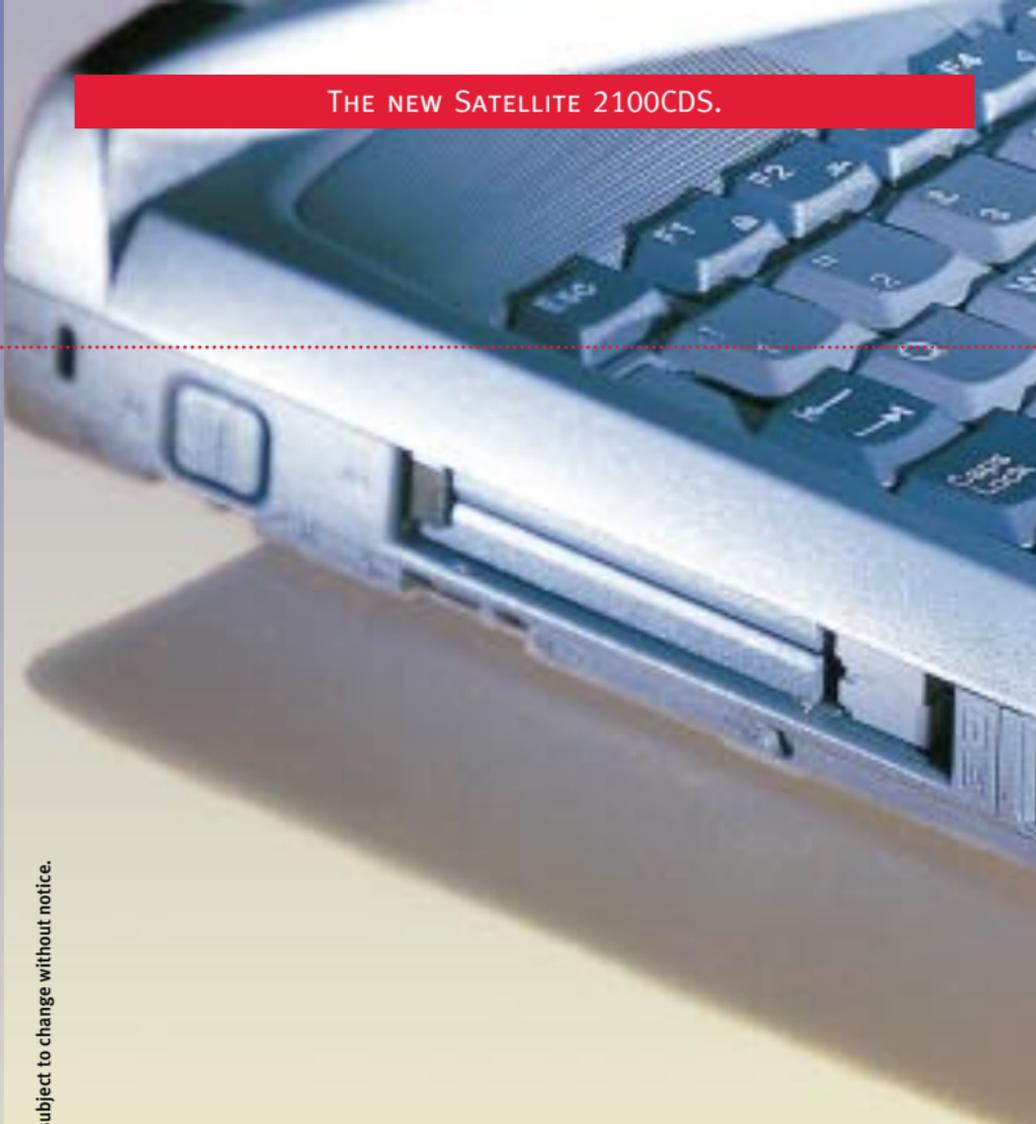

- Processor**
