TWICE THE ELEGANCE.
TWICE THE PERFORMANCE.

THE NEW **SATELLITE**
MODELS
2670DVD AND 2710XDVD.

In Touch with Tomorrow

TOSHIBA

**THE MORE ELEGANT WAY
TO GO MOBILE.**

Imagine a notebook that combines elegant, stylish design and powerful mobile technology in one value-for-money package. At Toshiba, we've gone one better than that: we've come up with two. The new Satellite 2670DVD and Satellite 2710XDVD notebooks pack a wealth of high-end features to deliver powerful multimedia, including the latest in DVD entertainment. Each model features the build quality you'd expect from Toshiba as well as the latest in mobile technologies – but with a price tag that will leave you pleasantly surprised. The only problem is: which one to choose?

SO MUCH HIGH-END TECHNOLOGY IN ONE STYLISH SOLUTION: THE NEW SATELLITES IN DETAIL.

THE MORE FLEXIBLE WAY TO EXPAND YOUR HORIZONS.

Keeping your options open:
Both models come with an integrated diskette drive and 4-speed DVD-ROM drive as standard.

Instant access, intelligent design:
Special Easy Keys offer fast Internet access and DVD entertainment at the push of a button.

In touch with the world:
Integrated V.90 data/fax modem offers fast Internet access and fax communications, wherever you are in the world.

Sounds good too:
The Toshiba Bass Enhanced Sound System delivers outstanding audio for music, games and movies.

The easy way to add even more functionality:
Both models come with a PC Card slot for two Type II cards or one Type III.

At your fingertips:
Two new programmable keys enable you to switch to Scroll mode for easy manoeuvrability in all types of documents. Ideal for surfing the Net.
