Satellite Pro 4220XCDT

Out-of-this-world performance – that won't cost you the earth.

- **450 MHz Intel® Pentium® III mobile processor for maximum performance**
- **6.0 GB* hard disk for more storage**
- **Integrated diskette and 24-speed CD-ROM drives for greater flexibility**
- **Integrated international V.90 modem for reliable global communications**
- **Enhanced 14.1" TFT colour display for sumptuous graphics**

In Touch with Tomorrow

TOSHIBA

Take it from Toshiba. As a small or medium-sized business on a limited budget, you can enjoy top notebook performance and specification – with the Satellite Pro 4220XCDT. Featuring everything you'll need to improve productivity, including the latest Intel® Pentium® III mobile processor, integrated diskette and 24-speed CD-ROM drive, and a wide range of optional docking solutions. All with the build quality you'd expect from Toshiba. But with a price tag that will leave you pleasantly surprised. Ask your Toshiba dealer for details.

Keep your options open: the Satellite Pro 4220XCDT comes with integrated diskette and 24-speed CD-ROM drives as standard.

Expand your horizons: when a single notebook just isn't enough, the Port Replicator, Card Station III (via Spacer), and the new Card Station IV offer enhanced connectivity.

Always well connected: the integrated international V.90 (56Kbps data, 14.4Kbps fax) modem keeps you online and in touch wherever you are in the world.

It couldn't be easier: the AccuPoint II™ pointing device can be used to scroll entire pages at a time.

Processor
Intel® Pentium® III mobile processor 450 MHz, 256 KB 2nd level cache

Memory
Standard 64 MB SDRAM, expandable to 320 MB
