

# Satellite Pro 4280

A powerful business notebook solution, combining superior performance with outstanding value for money.

- 500 MHz mobile Intel® Pentium® III processor for maximum productivity
- 14.1" TFT colour display and 8 MB of Video RAM for brilliant image quality
- Integrated diskette and 24-speed CD-ROM drive for greater flexibility
- 6.0 GB\* hard disk drive gives you all the capacity you need
- Integrated V.90 modem for fast, reliable global communications

Satellite Pro

In Touch with Tomorrow

**TOSHIBA**

**Take it from Toshiba.** When it comes to finding superb performance on a budget, the Satellite Pro 4280 model range is one business notebook that really does mean business. From the 500 MHz mobile Intel® Pentium® III processor to the integrated diskette and 24-speed CD-ROM drives, V.90 modem, 14.1" TFT colour display and a range of docking options. All with the quality you'd expect from Toshiba, but with a price tag that will leave you pleasantly surprised. Only at your local Toshiba dealer.

Keeping your options open: stay doubly prepared with the integrated diskette and CD-ROM drives featured as standard.

Turn the page: in scroll mode, AccuPoint II™ allows you to scan quickly and easily through larger text and web documents.

Expand your horizons: turn notebook into desktop with the optional Port Replicator, Card Station III (via Spacer), or the new Card Station IV.

Always well connected: the integrated V.90 data/fax modem keeps you online and in touch wherever you are in the world.

**Processor** \_\_\_\_\_

Mobile Pentium® III processor  
500 MHz, 256 KB 2nd level cache, 100 MHz Front Side Bus
