

The value business line:

The Satellite Pro 4300 series

- Mobile Intel® Pentium® III processors with Intel® SpeedStep™ technology and mobile Intel® Celeron™ processors
- Integrated and globally compatible V.90 data/fax modem
- Large selection of displays, 8 MB internal Video RAM
- Integrated diskette drive and CD-ROM or DVD-ROM drive
- Optional Port Replicator or Card Station IV

Choose freedom.

TOSHIBA

With the Satellite Pro series, every business can find an attractively priced solution for all its notebook needs. Satellite Pro provides low-cost access to Toshiba's high-performance notebook technology. The wide range of models features powerful processors, a range of display formats and everything you'll need in an all-in-one package. Top performance combined with Toshiba's legendary build quality. See the quality for yourself at your Toshiba dealer.

Toshiba recommends Windows® 2000 Professional for business.

Ready for everything: with the integrated diskette drive and 24-speed CD-ROM or 6-speed DVD-ROM drive.

Always well connected: with the globally compatible V.90 data/fax modem, built-in as standard.

Switch over to scroll mode with the AccuPoint™ II pointing system, for fast navigation in lengthy documents.

From notebook to desktop: it's a snap with the optional Port Replicator or Card Station IV.
