NOTEBOOK COMPUTER

# T2110CS

Whether you are traveling across town or across the country, the new Satellite T2110CS notebook computer offers the best of everything — power, advanced technology, portability, durability and expandability — all at an affordable price.

The Satellite T2110CS notebook computer packs a powerful 75MHz IntelDX4™ processor with math co-processor, plus VL Local bus video, graphics acceleration, fast page RAM access, and much more. The Satellite T2110CS can outperform 100MHz competitors with battery life to spare with Toshiba's Turbo 75 technology.

With the T2110CS's built-in power supply, there is no bulky external AC adapter to carry, just a slim power cord. Increasing productivity is a snap with Toshiba's MaxTime® Power Management System which enables you to work longer between recharges.

A large, vibrant, easy to read 10.4" color Dynamic-STN display boasts gorgeous 256-color quality. The large 350 million byte (=330MB) hard disk drive gives you all the capacity you will need to load your favorite business software plus extra room for personal applications or games.

The Satellite T2110CS offers plenty of memory with room to grow with 4MB of RAM expandable to 28MB RAM. In addition, two stacked PC Card (PCMCIA) slots give you the ability to add features including fax/modem, additional hard drive and much more.

The advanced design of the keyboard comes complete with a palm rest and features the easy-to-use AccuPoint™ isometric pointing device.

The new Satellite T2110CS provides all of the advanced features that you have come to expect from Toshiba, the makers of the world's best selling portable computers.

**Reliability backed by Toshiba.** As with all of Toshiba's products, the T2110CS comes with an impressive warranty and superior support. Our one-year U.S. and International limited warranty can be upgraded to an optional three-year limited warranty for extra peace of mind. Should service ever be necessary, Toshiba has a network of authorized service providers coast-to-coast. We even offer toll-free 24-hour, seven days per week in-warranty technical support and access to Toshiba's Electronic Solutions Bulletin Board on CompuServe.

## T2110CS/T2115CS\* PRODUCT SPECIFICATIONS
