Product Highlights

- Stability:** Toshiba's award-winning Tecra® family offers corporate customers a stable platform, consistent image and long product lifecycles (12+ months) to reduce total cost of ownership.
- Connectivity – Your Way:** The Tecra M1 includes integrated Wi-Fi (IEEE 802.11b or a/b dual band support) wireless communication, so users can get connected while on the road without the hassle of cords or cables and enjoy faster data rates. Bluetooth wireless technology, fast infrared, built-in V.92 modem, 10/100/1000 Ethernet and PC Card support for a 3G connectivity round out the notebook's unlimited connectivity options. In addition, the Tecra M1 provides Gigabit Ethernet for faster connections and hi-speed data transfer.
- Productivity & Power for the Mobile Professional:** Incorporating the Intel® Centrino™ mobile technology, Tecra M1 users experience a breakthrough level of mobile performance, extended battery life (up to 5+ hours/10+ with optional Select Bay™ battery) and enhanced wireless connectivity for improved productivity whether traveling or in the office. Offering multiple ports and the first corporate platform to provide DVD-RAM/RW capabilities as well as 2GB of memory for those power-hungry projects, customers need look no further than the Tecra M1 for the notebook that has it all.
- Enhanced Usability:** Toshiba understands the business professional requires more than just computing power in their notebook PC. Therefore, the Tecra M1 provides enhanced features such as a brightness sensor to control the display in different environmental settings and a one-touch presentation button so the user can easily connect to a projector. In addition, the unit also offers dual mouse control (pointing device and touchpad) functionality and Toshiba's own Config-Free software for easy troubleshooting to ensure fast Wi-Fi connections.
- Common Accessories and Docking:** Adding convenience while saving time and money, the Tecra M1 shares common docking and Slim Select Bay® accessories with Toshiba's award-winning Portégé® 4000 Series, Satellite Pro® 6000 Series, Satellite Pro M10, Tecra 9000 Series and Tecra S1 notebooks which is a welcome addition to any business looking to reduce overall costs. Additionally, for hi-speed connection to a variety of peripherals, the Tecra M1 includes a new Advanced Port Rep with USB 2.0 support.

* ***Central Processing Unit ("CPU") Performance Disclaimer:

CPU performance in your computer product may vary from specifications under the following conditions:

- use of certain external peripheral products
- use of battery power instead of AC power
- use of certain multimedia games or videos with special effects
- use of standard telephone lines or low speed network connections
- use of complex modeling software, such as high end computer aided design applications
- use of computer in areas with low air pressure (high altitude >1,000 meters or >3,280 feet above sea level)
- use of computer at temperatures outside the range of 5°C to 35°C (41°F to 95°F) or >25°C (77°F) at high altitude (all temperature references are approximate).

CPU performance may also vary from specifications due to design configurations.

Under some conditions, your computer product may automatically shut-down. This is a normal protective feature designed to reduce the risk of lost data or damage to the product when used outside recommended conditions. To avoid risk of lost data, always make back-up copies of data by periodically storing it on an external storage medium. For optimum performance, use your computer product only under recommended conditions. Read additional restrictions under "Environmental Conditions" in your product Resource Guide. Contact Toshiba Technical Service and Support for more information.

Return Policy

TAIS does not accept the return of component parts, or bundled software, which have been removed from the PC system. Pro-rata refunds on individual PC components or bundled software, including the operating system, will not be granted. If you wish to return a complete PC system, contact the TAIS dealer where you purchased the product, and comply with the dealer's standard return policies and procedures.
