

## SLIMNOTE® 5 SERIES FROM TWINHEAD®

The Slimnote 5 Series, your Desktop Replacement and Road Warrior Notebook System.

A NEW GENERATION OF MOBILE COMPUTING HAS DAWNED. IN TODAY'S COMPETITIVE BUSINESS ENVIRONMENT YOU NEED THAT EXTRA EDGE TO SUCCEED. NO LONGER DO YOU HAVE TO SUFFER THROUGH PRESENTATIONS IN SILENCE, OR STARE AT A MONOCHROME DISPLAY. WITH THE NEW SLIMNOTE 5 SERIES FROM TWINHEAD, YOU CAN HAVE THE EDGE.

Equipped with full stereo audio, high performance graphics, and a choice of color screens, you're sure to impress. Plus, the Slimnote is highly adaptable; it has a highly modular design, allowing you to create a notebook that exactly meets your needs. Need extra long battery life? Plug in a second battery. More memory? There's user-installable modules that take you all the way to a whopping 32 megabytes. Stereo sound? It's already in there! And of course there's PCMCIA for limitless expansion. Let's not forget a huge trackball, brilliant screen, and a full-size keyboard. All this in a package that fits comfortably in your briefcase. Get rid of that bulky old desktop, the new Slimnote is a true desktop replacement. Slimnote won't weigh you down.

Twinhead's new Slimnote is the result of over 5 years of research, product evolution, and customer input that can only come from a true manufacturer. Plus, Twinhead backs every Slimnote 5 with a World Wide Express Care™ Warranty\*. If you need a reliable travel companion that gives you that extra advantage, a Twinhead Slimnote should be your notebook.
