160 Awards

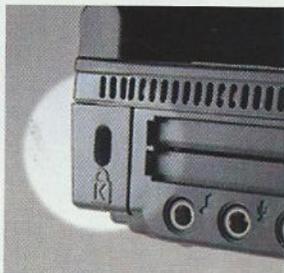

Award-winning Quality

From the first model we sold to our latest, every WinBook has been an award-winner. We've won over **160 awards** for design, performance and value. Notebook computers and accessories are all we sell – we know notebooks. Maybe that's why WinBook passed the grueling "**PC Computing Torture Test**" where they froze, cooked, dropped and dripped on our computer and wrote "*The WinBook seemed to want to come back for more*".

Critically Proven.

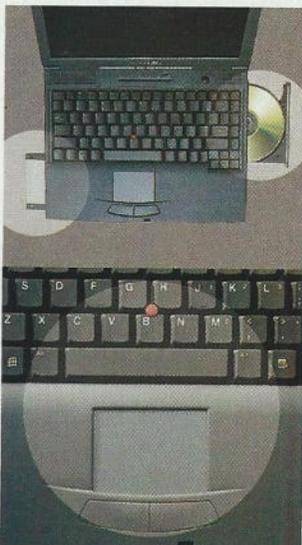

Extra Features at no Extra Cost

Despite our low prices, WinBooks are designed to include the same features that much higher-priced notebook boast like multiple ports and slots including USB, TV out and infrared, internal modems and built-in CD-ROM and floppy drives. Our XLi and XL² models even include two

pointing devices- a dual-button touchpad and a pointing stick for precise and comfortable input.

Best of all, WinBook notebook computers are consistently priced among the lowest in the industry. We work hard to deliver the best value to you.

Web Deals. It's Simple. When We Save, You Save.

First there were discount computer stores. Next came mail order merchants with reduced overhead and lower prices. Then build-to-order direct sellers lowered prices even more. Now, there's WinBook Web Deals – offers available exclusively online via our website www.winbook.com. The concept is simple – orders taken electronically through our online store cost us less to process, so we can lower our notebook and accessory prices even more.

Look for our "Web Deals" logo that designates a web-only special, order online from www.winbook.com and save hundreds on brand new, "Critically Proven" WinBook notebook computers, upgrades and accessories. Our current \$999 WinBook XL 233 Web Deal is a great example.

There's plenty of other reasons to buy a WinBook beside the value prices. Take the 160 industry awards for design, innovation and performance including dozens of "Best Buy" and "Editor's Choice" awards. From our value-priced WinBook XL 233 to our top-of-the-line WinBook XL² there's a WinBook for every user and at low, low prices.

What's Inside...

2  **WINBOOK XL² 300** – 300 MHz Pentium II, DVD, LS120 drive and 128 MB RAM for only \$3199.

6 **WEB DEAL** – Available exclusively online, this \$999 superdeal is just a click away.

8  **WINBOOK XL 233** – TFT and a 233 MHz Pentium processor for just \$1399

10  **WINBOOK XLI 233** – \$1999 for a 13.3" TFT and Pentium II power

12  **WINBOOK XLI 300** – 300 MHz Pentium II and 64 MB RAM for under \$3000.

14  **CARRYING CASES** – Well-made and guaranteed for life.

18  **ACCESSORIES & UPGRADES** – Customize with genuine WinBook add-ons.

22  **FIND A WINBOOK CHART** – an easy to use grid showing every WinBook model and specifications

23 **SHIPPING AND ORDERING** – important phone numbers, hours of operation, support and payment options.

* 56K modems are capable of 56Kbps downloads. Due to FCC rules that restrict power output, however, current download speeds are limited to 53Kbps. Upload speeds are limited to 33.6Kbps. Actual speeds may vary depending on line conditions.

† Monthly payments do not include shipping, or any applicable taxes.

‡ Monthly lease prices are based on a 36 month, no money down lease option. Monthly payments do not include shipping, fees, or any applicable taxes. Other business lease options available. Lease terms subject to change with out notice.

\$999 – A Notebook Price Breakthrough

WinBook has been a price leader for years and with this brand new, full-featured, 233 MHz powered notebook for an amazing \$999, we've outdone ourselves. You could easily pay double our price for a laptop with a 12.1" color display, built-in 20x CD-ROM and floppy drive, 256k pipeline burst cache and every port and slot you'll ever need- including USB.

Perfect for a student, small business or anyone who needs a second computer, this WinBook 233 XL is a great value. Hurry, these notebooks will move fast. Available exclusively from our online store at www.winbook.com.

WinBook XL

“For an entry-level system, the WinBook XL TFT offers a lot.”

Best Buy, Laptop Buyer's Guide — 10/98

Small Price, Big Value

There's no excuse to put off that new notebook purchase any more! This WinBook XL with a 233 MHz Intel mobile processor and a clear 12.1" active matrix display is what you bargain hunters have been waiting for. Add a modem and extra RAM (see page 21) and you'll be on par with notebooks costing hundreds more.

Like all WinBooks, the XL 233 TFT includes well-designed features like built-in CD-ROM and floppy drives – no more lugging around delicate components – and fast Ultra DMA hard drives for fast access to all your files.

“...This feature-packed powerhouse topped our charts when it came to performance, turning in the highest benchmark scores we've seen so far in a Pentium II-266 notebook”

PC World Online — 8/98

Intel has raised the bar again with this brand new 300 MHz Pentium II mobile processor. It's safe to say that this notebook could easily replace most desktop systems and not miss a beat. For less than \$3000, the XLi 300 packs a punch with performance-boosting features like 128 MB of fast SDRAM, 4 MB of SGRAM for accelerated 3-D graphics and a quick 6 GB Ultra DMA hard drive. View graphics on the large 13.3" active matrix display, listen to 16-bit stereo sound – even output to a big screen TV.

Our 300MHz WinBook costs less than their 266MHz notebook

Notebook Carrying Cases So Good, They're Guaranteed For Life...

We searched the world for the highest-quality notebook cases we could find and are proud to offer this new line of attaches. All of these fine briefcases are covered with a **Lifetime Guarantee*** and represent remarkable values.

All of our cases include quality features like stabilizer feet to allow the bag to stand upright, padded, reinforced handles, cast pewter hardware and heavy stitched seams in all stress areas.

CONTINENTAL CARRYING CASE, \$245

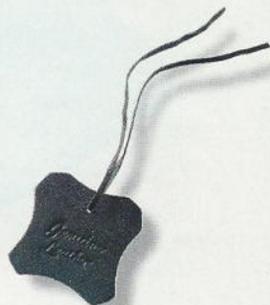

Dimensions: Notebook Compartment – 15" x 10" x 3"
Accessory Panel Compartment – 15-1/4" x 9" x 1"
Rear Printer Compartment – 15" x 10" x 2"
Color: Black or Cordovan (opposite page)

FINEST GLOVE-TANNED LEATHER WITH STEEL COMPARTMENT

This is one of the finest notebook cases in the world. Every detail meets exacting standards and the finish of the hand-selected hides will remind you of fine designer luggage. This striking bag features cast pewter-finish hardware throughout, a padded flap with two belt-strap closures that hide easy-open slide locks, heavy-stitched reinforcements, a strong, padded leather handle and a solid steel, soft-padded notebook compartment.

The Continental is not only beautiful but it's engineered to provide abundant storage. Besides the main compartment, there's a full-sized companion compartment for peripherals; twin external pockets secured by the slide locks, an external slip pocket and a mesh document pouch with zipper. Add the see-through mesh media pockets, cellular phone pocket and the no-slip leather shoulder strap and you have a world-class leather briefcase.

***ALL CASES ARE COVERED BY A LIFETIME GUARANTEE...**

...against defects in materials and workmanship. If you find your case defective in normal use, it will be repaired or replaced free of charge. This Guarantee does not apply to damage resulting from over-loading, product abuse, or normal wear and tear.

CARRYING CASES •

LUXURIOUS LEATHER AT A NYLON PRICE

Step up to Grade A topgrain leather with the Executive. This impressive case offers the features and protection of bags costing much more. The heart of this case is a sturdy, padded notebook compartment with removable divider to separate delicate peripherals. Carry all the files you need with the 3-section, fold-out file pocket, the internal slip pocket and a large external compartment with a closeable flap that's big enough for a printer. Bring along all your data in the see-through CD, floppy disk and Zip disk pockets. There's even a pocket for your business cards, PCMCIA cards and a holder for 3 pens. The military-grade nylon shoulder strap is reinforced with a contoured leather pad that is backed with a non-slip material.

HEAVYWEIGHT PROTECTION, LIGHTWEIGHT PRICE

Constructed from tough, tear-proof Polytech 3000 fabric, the Courier is an attractive, protective and affordable case. This well-made bag includes details like pearl-silver hardware and stabilizer feet that allow the bag to stand upright. The carrying strap is constructed from heavyweight, military-grade nylon and features an adjustable, non-slip shoulder pad to lighten your load.

The main notebook compartment is fully padded with a removable divider. The front pocket is large enough to carry a portable printer or other accessories. An internal panel has see-through mesh pockets for floppy disks, CDs, Zip disks, business cards and 3 pen holders. For documents there's an internal 3-section document pouch, an internal slip pocket and an external compartment with zipper.

Illustration depicts Executive case.
Courier case is similarly configured.

Turn Your Notebook Into A

While every WinBook includes all of the popular ports for connecting peripherals, a port replicator can handle more items and hooks up quicker. Just hook up a full-size monitor and keyboard, a mouse, a printer, and a joystick to a port replicator once and you can leave the system in place. Forget tangled cables and adapters, just snap your notebook in and out as needed

WinBook WinDock™ Port Replicator

A better way to switch from a mobile to a desktop environment. Docking your WinBook automatically hooks you up to your favorite peripherals via these ports:

- Parallel, Serial, and MIDI/Joystick Ports
- PS/2 Mouse and Keyboard Ports
- USB Port and Headphone Jack
- External SVGA Monitor Port

64MB	32MB	96MB
64MB	64MB	128MB

Like the saying that you can't be 'Too Rich or Too Thin', you can't have too much memory. There's a good reason why extra RAM (Random Access Memory) is our number one upgrade, it's the simplest way to boost the performance of your computer and your productivity. For short term tasks, the computer will utilize the faster electronic circuits of RAM instead of your hard drive. Today's RAM-hungry programs require more memory than ever, so abundant RAM allows you to have multiple programs open at once- a real time-saver.

Notebook Configuration Selection Guide

Power User

If you rely on your notebook to work with complex spreadsheets, scientific calculations, complex graphics or multimedia presentations or if you simply enjoy the experience of owning a state-of-the-art notebook, WinBook has a powerful notebook for you.

All Business

For the business or home office user that needs an all-in-one mobile solution, WinBook offers several choices. Whether you work with accounting, word-processing or contact management software or if you travel frequently and need to keep in touch via email or the internet, we've got the right business model.

Budget Minded

WinBook has long been recognized for its superior value and low prices, so you'll have no trouble finding a WinBook in your price range. For students, users looking for a 2nd computer, small businesses needing multiple units or anyone looking for the most computer for the money, look no further than WinBook.

The following features are standard on all new Winbooks:

- Intel Pentium or Pentium II Processors
- 128 MB of RAM capacity
- Pipeline Burst L2 cache
- All disk drives, **built-in**, no need to swap
- 16-bit Stereo Audio
- Integrated dual-button Touchpad
- Kensington lock support
- Two Type II PCMCIA slots, CardBus and ZoomedVideo supported
- Parallel, Serial, PS/2, VGA, 2-way Infrared port, TV out, USB
- One-year extendable warranty
- Microsoft Windows® 98 pre-installed
- Complete manual

Flexible Payment Options

Now you can buy a WinBook and pay the way you want to, when you want to. Ask about our Personal Credit Card or Business Lease options.

Order Toll-Free – 1-800-360-6645

To order call our toll-free number Monday-Friday, 8:00am-9:00pm EST, or Saturday 9:00am-4:00pm EST. Use your American Express Card, VISA, MasterCard, Discover Card, WinBook Credit Card, personal check or P.O. with credit approval.

U.S. sales only. Product information and prices are subject to change without notice. Prices listed do not include shipping.

It's easy to open your WinBook personal credit account. Call our toll-free number for an application, or simply apply over the phone at the time you place your order. And, you'll enjoy 90-days-same-as-cash on purchases totaling over \$300. Contact WinBook Computer Corp. for details.

Notebook buyers enjoy a one-year limited warranty on parts and labor and toll-free technical support for the life of the computer.

* 56K modems are capable of 56Kbps downloads. Due to FCC rules that restrict power output, however, current download speeds are limited to 53Kbps. Upload speeds are limited to 33.6Kbps. Actual speeds may vary depending on line conditions.

† Monthly payments do not include shipping, or any applicable taxes.

‡ Monthly lease prices are based on a 36 month, no money down lease option. Monthly payments do not include shipping, fees, or any applicable taxes. Other business lease options available. Lease terms subject to change with out notice.
