WinBook[®]

Critically Proven.

No-compromise notebook computers at the lowest prices in the industry

Critically Proven.

"Critically Proven."

If you're serious about getting the best product for your money, you're probably already familiar with WinBook. We're well-known for our select line of high-quality and innovative notebook computers and our impressive history of over 135 major industry awards proves it. In fact, every model we have ever made has won multiple awards of excellence, including many Best Buys and Editor's Choices. That's why we proudly say that WinBook computers are "Critically Proven."

Innovative Design

One of the reasons we are consistently singled out is our innovative approach to design. WinBook was the first notebook computer specifically designed for the Microsoft Windows® OS, the first notebook to incorporate both a pointing stick and dual-button touchpad and one of the few notebook computers to build-in both a CD-ROM and floppy drive, so there's no need for swapping.

Our large, ergonomically designed keyboards and precise pointing devices are consistently praised, as are our long-lasting batteries and durable cases. Notebook computers are all we sell and this focused approach to our business means better designs and lower prices for you.

	November 1997, Best Buy WinBook FX
	January 1998, Value Notebook of the Year WinBook XP5 Pro
	March 1998, Technological Advancement Award , WinBook XL
	October 1997, 4-Star Award WinBook FX
	March 1998, Best Buy WinBook XL

"WinBook Corp. has earned itself a reputation for delivering speedy notebooks at a low price point."
— Computer Shopper, January 1998

"The WinBook XL 233 is by far the most versatile notebook we tested..."
— PC Today, January 1998

"...the fastest notebook we've ever seen, the WinBook XL...is a steal."
— Laptop Buyer's Guide and Handbook, March 1998

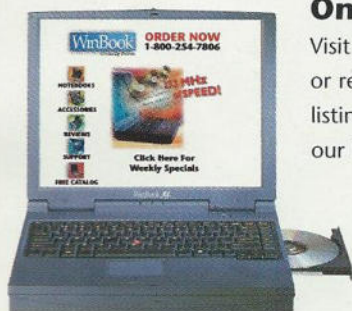

"With the introduction of the WinBook XL (WinBook) ... has signaled its continued desire to ride the crest of technological progress..."
— Laptop Buyer's Guide and Handbook, February 1998

FREE Technical Support

With our newly re-designed 24-hour a day world wide web support site, (www.winbookcorp.com) you'll be able to ask your questions at any time of the day or night, anywhere in the world. Of course our free, lifetime-of-your-computer phone support is included along with a 30-day money-back guarantee and a one-year limited warranty on parts and labor.

www.winbook.com

On-line deals

Visit our website frequently for specially-priced discontinued or refurbished models, critic's reviews and for a complete listing all of our models, accessories and latest prices. Look for our brand new, secure on-line ordering system soon.

Flexible Payment Options

Now you can buy a WinBook and pay the way you want to, when you want to. Ask about our Personal Credit Card or Business Lease options.

Order Toll-Free – 1-800-339-4852

To order call our toll-free number Monday-Friday, 8:00am-9:00pm EST, or Saturday 9:00am-4:00pm EST. Use your American Express Card, VISA, MasterCard, Discover Card, WinBook Credit Card, personal check or P.O. with credit approval.

U.S. sales only. Product information and prices are subject to change without notice. Prices listed do not include shipping.

It's easy to open your WinBook personal credit account. Call our toll-free number for an application, or simply apply over the phone at the time you place your order. And, you'll enjoy 90-days-same-as-cash on purchases totaling over \$300. Contact WinBook Computer Corp. for details.

Notebook buyers enjoy a one-year limited warranty, on parts and labor and toll-free technical support for the life of the computer.

* 56K modems are capable of 56Kbps downloads. Due to FCC rules that restrict power output, however, current download speeds are limited to 53Kbps. Upload speeds are limited to 33.6Kbps. Actual speeds may vary depending on line conditions.

† Monthly payments do not include shipping, or any applicable taxes.

‡ Monthly lease prices are based on a 36 month, open-ended, 10% purchase option. Monthly payments do not include shipping, fees, or any applicable taxes. Other business lease options available. Lease terms subject to change with out notice.

WinBook[®]
Critically Proven.

The best notebook value you can find.

WinBook XL 16/2GB

12.1" Active Matrix, 233MHz MMX™

We've hit rock bottom pricing with this new WinBook model. Never before have we offered such an incredible value, so if you've been waiting for a high performance notebook computer for under \$2000, wait no more.

For a low \$1999, this notebook has all of the features you'll find in computers costing thousands more like a powerful 233 MHz MMX processor, a full SVGA 12.1" active matrix display, a big 2 GB hard drive, built-in CD-ROM and floppy drives and a slim, compact design that makes for easy travel and storage. There's even a pointing stick **and** touchpad included at no extra cost. This 233 MHz MMX powered notebook is destined to become a WinBook bestseller.

233MHz MMX™ Processor

- 12.1" SVGA Active Matrix Color Display
- 16 MB EDO DRAM, expandable to 128 MB
- 2 GB removable Hard Drive
- Nickel Metal Hydride Battery
- Pipeline Burst L2 cache
- 3.5" Floppy Drive **and** 20X max variable speed CD-ROM, **both built-in, no need to swap**
- Integrated dual-button **Pointing stick and Touchpad**, both active simultaneously
- 16-bit Stereo Audio
- Two Type II or one Type III PCMCIA slot, CardBus and ZoomedVideo supported
- PCI graphics accelerator w/2 MB DRAM
- Parallel, Serial, PS/2, VGA, 2-way Infrared port, TV out, USB (2)
- Kensington lock support plus retractable tie-down attachment
- One-year extendible warranty
- Microsoft Windows® 95 pre-installed

The fastest processor and the largest display we have ever sold.

WinBook XL 32/2GB, 13.3" Active Matrix 266MHz MMX™ Pentium® Processor

This 266 MHz Intel Pentium w/MMX powered notebook is destined to become a WinBook bestseller. Combine the blazing processor speed, a huge 13.3" display, 32 MB of RAM and you've got an awesome mobile computing solution. Like all of our XL models, both the CD-ROM and floppy drives are ingeniously built-in, so you won't have to lug around extra drives plus the dual-button pointing stick and touchpad are **both** included.

Other standard components include Kensington lock support, accelerated graphics, a long-lasting Lithium Smart battery and all of the port and slot options you'll need in a compact, lightweight dynamo.

Get 266MHz at lower-than-233 prices

Prices quoted over as of 12/6/97 for similarly equipped models with 13.3" active matrix screen, lithium-ion battery and 20X CD-ROM drive from Dell Computer Corporation®, NEC Corporation®, Gateway 2000, Inc.® and WinBook Corporation®. Software bundles given \$0 value.
